Editor's Letter

Well, knowing that you're reading this in June, more or less, I must say I envy you! We can hardly open the front door to the *MO* office without being inundated in campaign leaflets for all the political parties, but from where you're sitting all that is now ancient history. Did anyone in particular win? I certainly look forward to finding out! Ahem, anyway, we're not too fussed about politics here at *Men Only* – not when we've got our hands full of totty all the time! After all, politicians come and go, but thanks to all our babes,we're pretty sure you'll just come and come!

My wife and I have been married for just over five years, and we are lucky enough to live on a quiet cul-de-sac; a really nice little community made up of professional people who hold down 9-5 jobs – my wife being one of them. I'm slightly different in that I work part-time in the evenings, and because of this we rarely get to spend much quality time together, let alone romantic time. Our marriage, as a result, has become a bit stale, and the sex is almost nonexistent.

One morning last summer after my wife had gone to work, I decided to make the most of the hot weather and mow the lawn, which was looking decidedly jungle-esque. I'd made good headway when I happened to glance across the low fences, into a garden a few doors away. I honestly think I did an actual double-take when I spotted my neighbour, Fran, pottering around in her garden topless. At first, I purposely didn't look in her direction again, but my mind was filled with what I'd just seen – I mean, she's a pretty gorgeous woman. She's petite with brown hair, a slim figure and a voluptuous cleavage, one that was even more impressive without clothes in the way! I sneaked another look, only to catch her rear end, encased in small denim shorts, as she bent over. My God, it was difficult concentrating on the grass and I nearly ran over my wife's flowers, twice.

"She grabbed my cock, wrapping her lips around it and sucking for all she was worth."

I must have been staring a bit too long, as Fran caught my eyes and grinned, knowingly. Embarrassed, I quickly lowered my gaze, but as I kept mowing, I couldn't help looking over at her. I was also getting a bit of a boner, so I decided that maybe it was time to quit. Just as I was heading inside, she called out to me, "Hey, Jon! Why don't you head over for a coffee?" I was surprised but instantly excited and, unable to speak, I nodded enthusiastically.

"Great!" Fran continued, "Just head round the back and come in – I'm just going to get changed!"

I couldn't quite believe what was happening as I walked over to Fran's house. Although I knew her husband would be at work for hours and she seemed well up for it, I kept telling myself that nothing was going to happen, that it was just going to be an innocent coffee and then a wank for me when I got back home. Heading round the back, the door was open so I entered, calling out to Fran. She in turn called my name and asked me to head upstairs for a moment. I hesitated, but was glad I didn't back out as soon as I reached her open bedroom doorway.

Fran was lying back on her bed completely starkers, frantically fingering herself! She looked up and smiled, beckoning me over. My hard-on was obvious and when I reached her, she pulled down my shorts and grabbed my cock, wrapping her lips around it and sucking for all she was worth, before teasingly licking my helmet. I grabbed her head and bucked my hips, fucking her mouth as she swallowed my length down her throat. She gave me the best head I'd had in a long time – my wife rarely bothers anymore, mind so it wouldn't have taken much! Although I was enjoying this immensely, I wasn't disappointed when she pushed me away and told me to instead climb on top of her and fuck her tits. I did and shoved my wet prick between her fleshy mounds. It felt glorious! I found a rhythm and was soon screwing away, and on the up stroke, Fran would suck the head of my cock. I was already close to bursting, so it didn't take long before I shot my load – all over her face, neck and tits. She sucked my cock clean, then scooped the come with her fingers and licked them. She was so filthy, and for all these years I'd been living a couple of doors away with no idea!

"We both groaned with pleasure as her snatch devoured my meat..."

It didn't take me long to get hard again as

Dear Michelle

I know you're well into your 79th year now (no, not you Michelle!) but it's great to see that *Men Only* can still lure such stunning girls to appear in its pages! This last issue had me reaching for the box of tissues before I'd even opened it, thank to the stunning Idelsy on the cover! A pretty strange sort of name, but who cares when a girl looks that hot?!

I loved the way she held that wonderful pink – almost fuchsia! – pussy open for us on page 15! It actually took me three attempts before I managed to get past that page and devote a bit of time to the rest of the issue!

Please tell me you'll be shooting her again before too long – although not too soon, please, because my poor cock could use a bit of time to recover!

Eddie, Leicester.

Michelle says: She was certainly something, wasn't she? We'll definitely try and get her back some time this year, but maybe not for a month or two yet, eh?!

CAMILLA

WorldMags

Stone the crows! A quick look back through the archives shows that it's been one issue shy of an entire year since we last (and, indeed, first) featured Camilla in the mag. What on Earth were we thinking of…?

"Well, it's not really for me to say, is it?" pouted the girl herself. "I guess I assumed you didn't like me or something."

Far from it – we got plenty of letters of praise at the time. What can we say? – time does tend to fly when you're up to your neck in horny females all desperate to take their clothes off for you, and we know the Ed's getting on a bit (he claims he barely gets to cut his fingernails more than twice before a whole year's gone by again), but even so! Still, good things come to those that wait, we suppose…

we snogged, and as our tonguing got more passionate, she pushed me back on the bed, crammed my cock into her pussy and began to bounce on it. We both groaned with pleasure as her snatch devoured my meat, so I grabbed her hips and began slamming her crotch into mine harder. She was already making a bit of a racket, but her squeals became louder as she thrashed around on top of me, and as her pussy muscles contracted, I knew she was coming.

As she climaxed, then collapsed on top of me, she apologized for the fact that I hadn't reached orgasm at the same time, which made me laugh. I hadn't had as good a time in bed in years and told her so. Still smiling, I told her that if she wanted me to come she should turn over and let me fuck her from behind. This obviously pleased her, because she instantly got onto her stomach and raised her plump, juicy backside in the air. I kissed it gently, then started rubbing her pussy before slipping a couple of fingers in – she was soaking! I was so turned on that I pulled her bumcheeks back and pushed my tool deep into her wet, velvety snatch. She was of the same mind and slammed her hips back against me making my member completely fill her up, before pulling away so far that I nearly popped out of her, them slapping herself against me once more.

I could feel her hand on my balls and knew she was playing with herself, too. I increased

> "I started rubbing her pussy before slipping a couple of fingers in..."

Dear Michelle,

It was wonderful to be reminded of the charms of the immortal Steph Bews in your vintage spread this issue (79.05). I remember having a very had spot indeed for her back in the early 90s, when she seemed to appear in all the magazines across the board, from *Escort* and *Razzle* to *Men Only*, with that fabulously furry spadger of hers always on proud display!

Have you got any idea what she's up to these days? I hope she's well, and secure in the knowledge that there'll always be plenty of guys out there who have a very special place in their hearts for her!

Paul, Raleigh.

Michelle says: I'm afraid we don't know what Steph's up to these days at all, but we're pretty sure she knows what sort of impression she made back in the day – and is still making, thanks to the vintage spread last month!

This horny little number from the Durex Play range is perfect for those first-timers who want to try a cock ring, without paying out for a top-of-the-line model. The silicone ring stretches comfortably around your prick, and while the powerful vibrations ensure a great time alone, it's so much more fun with a partner! Discreet enough to take on holiday and small enough to fit into your man-bag, the Little Devil will make any sexual encounter as hot as hell!

hers TIE & TEASE BOARD GAME

Available from Lovehoney.co.uk for £24.99

OK, so this board game is designed to be played with a partner, but we figure women are more likely to buy it! A gentle introduction to the world of BDSM, the 1950's style game includes a blindfold and silky tie and calls for other props like paddles/whips and massage oil to be brought into play. Kinky? Absolutely! You first choose who is to be Dom and Sub before rolling the dice and going on to perform sexual acts on each other, according to the pin-up girl playing cards – from sensory deprivation and role-play to bondage and eating chocolate off your partner's body, there's something for any adventurous couple! Real life *Fifty Shades*, anyone?

"I could feel her hands on my balls and knew she was playing with herself."

my tempo even more. She moaned into the pillow, which just made me even more horny and grind myself into her harder. I could feel myself getting close – it didn't take long in a snatch this tight. I gripped her hips, slamming into her with all my might; she screamed, which finished me off, and I came, spurting jet after jet of hot spunk up inside her welcoming hole.

After we'd caught our breath, we got into the shower and cleaned each other off. As I rubbed soap bubbles into her gorgeous boobs I felt the stirrings of another erection, but before I could do anything with it we realized our respective spouses would probably be home soon, so got dressed and went downstairs. I felt a bit awkward as I said goodbye, but Fran gave me a huge snog, sticking her tongue right down my throat, before whispering, "Until next time!"

Since then, as I'm sure you can imagine, I've been seeing quite a bit of Fran. Her husband's none the wiser, and neither is my wife, and in fact I'd say all four of us are happier than we used to be. Well, Fran and I are at least, that's for sure!

Jon, Lewes.

Dear Michelle,

As a life-long fan of horny British blondes (like you, of course!), imagine my delight when I found out the lovely Jennifer Jade was appearing in *Men Only*, which I did thanks to the girl herself tweeting about it. Needless to say, I was off down the paper shop in a flash, and soon back home again with a copy of *Men Only* discretely rolled up inside a paper. Well, Rarely could a trip to the shop have been more worthwhile – what a cracking set of pictures! She simply oozes *Men Only* class in every picture, especially all dolled up like that in black lace stockings and suspenders! And what a treat that centrespread was!

Without putting too fine a point on it, I've definitely had my money's worth out of this issue, and I reckon it'll become even better value in the weeks and months to come! Please do pass on my admiration to the girl herself – she's made one of her biggest admirers very happy indeed!

Colin, Durham.

Michelle says: Yes, quite a few of the girls are pretty active with their tweets these days (if you know what I mean)! And you can even follow menonlymag as well!

Its always nice to extend a welcoming *Men Only* hand to a newbie - especially when the newbie in question happens to be as cute as the delectable Bridgette here! Just the one hand, mind, because her stunning looks and gorgeous body have got us thinking that we might be needing the other one for something else before too long…

"Well do you mind if I join you?" asks the girl herself. "Shooting always makes me feel horny, and most people don't seem to mind if I have a little play with myself while we're at it."

Well, call us whatever you want, but we won't be accused of being ungallant – if a cute model wants to flick her bean in front of us, we're not the sorts to stand in her way!

Real Life Adventures

Waitress Julia sounds like a better ride than any motorbike…

"His fingers worked their way into my panties and inside my pussy..."

I'm in my second year at university but every year I get a summer job waitressing in a café in a seaside town near my parents' house. It's a great way to meet new people and earn some cash at the same time. This year I have had a few one night stands with some cute guys who were passing through, but to be honest none of them really did anything except amuse me.

Then one morning while I was setting up the outside tables, a big black motorbike eased up to the kerb and a tall leather-clad man slid off his shiny black helmet and shook his long hair.

I stood staring at him for a moment with my mouth part open as he swung his leg elegantly over the bike and stood smiling at me. I finally got a grip and managed to smile back at him. He was handsome and tall, with a beautifully toned body, and I found myself staring directly at his package which was straining at the front of his skin tight leather pants.

While he ate I watched him, offering him coffee refills as often as I could get away with it. It was still early, and the café was only just starting to get busy so I hung around him, chatting and flirting shamelessly. My work paid off, as Chris (as he turned out to be called) offered to pick me up after work and take me for a ride on his bike.

I finished my shift at six and waited impatiently outside the café for him to pick me up. Parking up a couple of minutes later, he held out a helmet for me to wear and I climbed behind him, holding myself tight against his hard body as we roared away from the kerb.

He headed out of the busy town and into the countryside. He seemed to have sussed out the area already because he found a little-used back road a few miles out of the town which led to a ruined cottage overlooking the sea. Throwing his jacket on the sweet smelling grass, he sat down and held a hand out to me, drawing me down beside him as I took it.

We snuggled up together, looking out over the sea and enjoying the bright sunlight. Then my hands wandered to the hard-on in the front of his jeans, and as I struggled with his zipper he slid his hand up my skirt and began kissing my lips, his fingers working their way into my panties and starting to push inside my pussy. Now that I had his cock out, I started to pump it in my fist while he dipped his fingers in and out of my soaking slit.

I as excited and flustered all at once. This guy had the biggest cock I'd ever handled, I couldn't wait for it to be in me, and I began grinding and squirming on his fingers. He moved his face to my stomach and began lightly kissing his way

upward, opening my blouse and freeing my tits from my bra before kissing and licking my throbbing teats.

With my fingers still wrapped around his swollen shaft, he rolled me onto my back, and, hiking my skirt up, dragged my panties off. The grass tickled my arse as he bent and licked my pussy, teasing my labia and clit with his fingers and tongue. I was close to the edge of orgasm when he pulled my legs up and over his shoulders, and, parting my juicy labia he penetrated my pussy with his darting tongue.

Trembling as he ate me I felt my orgasm approaching and as I came I pushed my butt harder against him. To my surprise and delight he gently began fingering my anus as he lapped furiously at my pussy.

Slowly I relaxed my anus, allowing his finger to penetrate my rear entrance, until it was all in, the whole finger, inside my twitching bum. I started to hump his finger vigorously but Chris had other ideas. He sat up, and mounted my soaking pussy, teasingly rubbing the head of his penis along my slit while I begged him to fuck me. And he did.

I could feel his thick cock throb and pulsate as he slowly he slid in and out, picking up the pace with every stroke. As his fingers teased my clitoris I moaned gently and he shunted his big cock deeper. At this point I abandoned myself totally to the pleasure and excitement of being out in the sunshine in such a beautiful and remote place, being fucked hard by this handsome stranger, and on a crazy whim I dislodged his cock from my pussy and pressed back so that his bell-end was nudging against the rim of my anus. I didn't really give him much choice.

He gave a whistle of approval and allowed me to guide his thick pole further inside my rear entrance. It felt great, and I pushed back and forth impaling myself deeper on his hard cock. From inside my back-passage I could feel his cock pressing up against the walls of my pussy, and as it went into spasm I started to come, gasping and then suddenly sobbing. Meanwhile, he grasped my hips and began pumping with ever increasing speed. It sent me right over the edge altogether.

As I came he held me steadily against him, groaning with pleasure as my anal muscles gripped hard around his shaft as though trying to milk it. Somehow he held himself back, waiting for me to finish my orgasm.

As my climax began to recede, he withdrew his rod, and before I could catch my breath plunged it back inside my throbbing pussy and began fucking it for all he was worth. My back arched and my whole body shuddered as he shot his load inside my quivering pussy, jerking hard twice on top of me as he flooded my pussy with every last drop of come in his balls.

Like I say, working in the café's a great way to meat new people!

WHEN TO GO FOR A PISH AT THE CINEMA WITHOUT MISSING ANYTHING RUNPEE

http://m.runpee.com

A bloody belting bladder-friendly site which takes all the latest releases showing in cinemas around the world and analyses them with an eye for when members of the audience can safely nip off to the bogs (and how long you can afford to spend there) without missing any crucial part of what the movie would like you to think represents a storyline.

In the case of most movies, this is always assuming there's something to miss, but come on, let's be charitable. Otherwise it just gets nasty.

Here's one exemplar from this marvellous site: "PeeTimes for: *Captain America The Winter Soldier*... Notes: The 2nd Peetime is by far the best. Only use the 1st and 3rd Peetimes in an emergency.

"The 2nd Peetime is a long sequence of Captain America and Natasha searching for a hidden base. However, there's a big reveal after this Peetime so don't be late getting back to your seat."

"PeeTime 2 of 3" occurs 58 minutes into the movie and you have four minutes to get to the cludgies, do a tinkle and pelt back to your seat. "When to go: Natasha asks, 'Who do you want me to be?' and Steve replies, 'How about a friend?'" Okay – run!

Peetimes information includes a summary of the dross you are missing while you're in the carzey. Just click the link "Read what happens during this PeeTime."

RunPee is also an app for mobile phones and tablets, so you can consult it after you've taken your seat in the cinema, assuming you've got a signal in there. I think the whole thing is a brilliant idea because I'm at that awful age when you need to go frequently and am fed up sitting through gripping movies in a steadily spreading puddle of steaming urine. And it's not even always all my own urine either…

ONLINE SPEED READING SITE WITH THE POWER TO BRAINWASH SPREEDER

http://www.spreeder.com

Before I say how interesting a site this is, I need to warn everyone that, like so many great innovations, it may be used for ill as well as good.

How interesting a site this is. There – now I've said it and we may continue. On the home page is a large text box, which you can fill with as much text pasted from elsewhere as you wish. The function of the site is to increase the speed at which you read and improve your comprehension. It does this by means of utilising the Adobe equivalent of "flash cards", the system with which, incidentally, I and all my other equally befuddled infant classmates were taught to read in the first place.

So into the box goes your chosen text – a chapter from a book, an email, it matters not. Now activate Spreeder. The text is fired at you one word at a time at an incredible rate. It works, too – I'm quite a slow reader and I was taking it all in… for perhaps the first 45 seconds. Then I began to feel funny. Not queer, just funny. Then I felt like I was being brainwashed and I started to get a migraine but I couldn't look away nor even wail for assistance. And still these fucking words kept coming at me at 0.005 of a second. I became more disoriented and afraid than usual.

But maybe it won't fry your brains. I'm at the age where (aside from needing regular pisses when I go to the flicks) my brain-stem is re-sprouting, so maybe that had something to do with it. On the plus side, I'm reading faster today than before I was brainwashed, though doubtless when I hear a certain tune played on my mobile I will go all blank-faced, take a gun and walk up to the president of wherever and put three bullets through his chest. There, best to get your excuses in early.

QUICK PICKS

Stop Worrying About The Pet In The Film. Does The Dog Die?
http://doesthedogdie.com

An incredibly useful site for those of us "eccentrics" who get upset when a pet is killed or dies in the course of a movie. If in the course of an alleged "comedy" – say one with the hilarious Will Ferrell or Jack Black in it (e.g. throwing a Jack Russell terrier off a motorway overpass as "a joke", or funnyman Ben Stiller sending a pup sailing out the window in *There's Something About Mary*) – it's worse but don't start me on about them lads, not when I've got a drink in me, seriously now, we had better not go there or somebody's going to be taking their head home in a Tesco bag.

Every film title known to man appears to be covered in the site's list of film titles, arranged alphabetically. Next to each title is an icon.

Happy Dog Icon: No pets die.

Sad Dog Icon: A pet is injured or appears dead but ultimately lives.

Crying Dog Icon: A pet dies.

Whinge To The World. FMyLife
http://www.fmylife.com

"So you think your life sucks?" ask the webmasters gleefully. "Here are thousands of users sharing awful anecdotes and personal venting. How a boyfriend ruined someone's day, or how a teacher crushed a young person's esteem; how the mechanic shafted someone on a repair job, or how a beautiful girl destroyed a person's self-confidence."

OK, then, let's have a butcher's, shall we?

Member #21125262 posts: "Today I farted so loudly I not only woke myself up, but my husband as well. He mistook my gas for someone trying to break in and insisted on checking the whole house. I was too embarrassed to tell him the truth. FML!" (61 comments).

Or this, from terrified member #21124338: "Today, while meeting my girlfriend's parents for the first time, her dad made a big show of cleaning his rifle, before loading it, taking aim, and blowing the hell out of a hornet's nest at the back of the yard. I fear for my life. FML!" (165 comments)

As with social media such as Reddit, users can vote the "vent" up or down in the popularity charts.

ANDIE

Photos: **Sage Style**

As seems only natural for a hardbodied young lovely at this time of year, Andie's pretty keen to expose as many parts of her body to the sun as she possibly can! After all, when you make you living from taking your togs off, you don't want too many white bits on show, do you?

"I guess not. To be honest though that's not the reason I like to get naked in the great outdoors," she confides. "There's something wonderful about feeling the sun beating down on my nipples or on my pussy lips that I can't resist!"

Hmm, we wondered how long it would be before the topic of conversation made its way round to your wondrous pussy lips! But, aren't you worried you they might get sunburnt? That's got to be one of the most uncomfortable feelings possible!

"Oh, I always make sure I rub plenty of high factor sun cream into them first. In fact now I think about it, I think I prefer that bit to the sunbathing itself!"

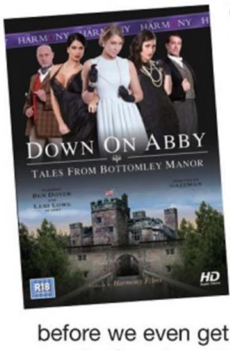
Get the Abby Habit!

What's this – Harmony filming a porno version of one of the UK's favourite TV programmes? Well naturally Men Only went along to investigate...



Over in the States, porno parodies have been going great guns for years now, with X-rated knock-offs of just about every show you can think of, from *The Flintstones* and *I Dream of Genie* to *Dallas* and *Desperate Housewives* (bit of an obvious one, that). And that's before we even get onto the movie spoofs. Over here there have been a few similar efforts (the most successful probably being Bluebird's *BatFXXX*), but now it's time for Harmony, after dodging the genre all these years, to throw their hat into the ring and take on one of UK telly's most successful exports of recent times, *Downton Abbey*.

Down On Abby stars our very own Lexi Lowe, who's only recently started appearing in full-on fuck flicks after whetting her fans appetites with a couple of years of magazine work, as Abby, the flighty step-daughter of Lord Grabham (who else but the grand

old man of British scruff, Ben Dover?) and his young wife (Jasmine Jae), and throw in assorted other (k)nobs, flappers and, of course, a spot of downstairs action as well, and the film looks set to be Harmony's biggest release to date. Basically, the films a who's who of the UK porno scene, and so is it any wonder we went along for a day to check out some of it being filmed?

First thing to say is they got a rather grand location for the shoot – it may not be quite as magnificent as Highclere Castle, where the ITV series is filmed, but in all honesty it's not far off – Harmony have a bit of a reputation for tracking down classy locations, and they've done themselves proud this time.

There's a definite buzz among the cast and crew as they assemble to start shooting in such plush surroundings (although Ben seems quite at home, so we can only assume that Dover towers isn't too shabby itself). Still, it seems a bit sacrilegious to risk covering some of the grand furniture with the various bodily fluids of the assembled studs and cock-jockeys; they must have come to some sort of arrangement with the owners!

Lord and Lady Grabham both feature in the first scene, although Ben Dover takes something of a backseat role as he settles back in the grand hall to watch Jasmine get to grips with the not-too-accurately-named butler Smallcock (Tony De Sergio) on the sofa in front of him. She puts her fulsome lips to good use, wrapping them about Tony's cock and slurping away frantically while Ben looks on approvingly, stroking the lump in the front of his jodhpurs appreciatively. To be honest it isn't long before we're all sporting lumps in the front of our trousers of one size or another as Tony slams into Jasmine's shaven pussy from just about every angle going, starting with reverse cowgirl, which gives the assembled crew and hangers on (like me) a cracking view of her slippery pussy lips splayed round his fat pole, and through spooning, doggy and finally missionary, at which point Ben joins in, offering his prick to Jasmine for a gobble just before Tony splashes off all over her juicy cunny.

After they're all done it's cut, bring on the wet-wipes and cups of tea all round as Jasmine totters off to get herself cleaned up and the crew re-locate for the next scene to be shot that day – a threesome in which DemetriXXX, who's playing the chauffeur, gets a bit of downstairs action (in every sense) courtesy of pantrymaid Emma Leigh and housemaid Cathy Heaven.

Poor DemetriXXX has been left with a big bonk-on thanks to being touched up by visiting aristo Lady Stiffie, and thankfully his fellow employees aren't the sort of girls to let something like that go to waste. Emma

“Lexi makes all sorts of wonderful gurgling noises as Ryan’s knob plunders the back of her throat...”

promptly abandons the custard she's making and sets about producing some custard of the trouser variety, ably assisted by Cathy. I can't help thinking the bedroom they're using rather grand for servants, but as the girls slobber over their co-star's prick I quickly put such qualms to the back of my mind and concentrate on the matter in hand – or the matter in fanny as it soon is, with Demetri soon slotting home.

Thereafter he makes sure both girls get an equal length of cock, switching from one to the other in the way only a seasoned cocksman could, plundering their pussies for a good 25 minutes longer than most normal males would be able to before director Gazzman reckons there's enough footage in the can and they set about winding things up – a procedure that involves a novel (to me, at least) position in which Cathy lies face up on Emma, who's face down, and Demetri slams how prick from one pussy to the other before splashing off between Cathy's thighs. Now that's what I call service!

The final scene to be shot that day – and by now the evening has drawn in – features (much to my delight) Lexi herself, who having sat through a dinner party with the visiting Stiffies, makes a brazen move on the sizzled Lord Stiffie himself (a convincing performance from Ryan Ryder.) Mind you, it's once he's got the posho voice out of the way that his real performance begins, as insatiable Lexi bends over and starts to nosh him off right there at the dinner table. Well, step-mum and dad have already headed off to bed, so what else is a girl supposed to do?

Lexi makes all sorts of wonderful gurgling noises as Ryan's knob plunders the back of her throat, and things only hot up more when her gets her stupendous funbags out for a fumble. Lexi might be pretty new to this sort of lark, but she seems to have taken to it like a duck to water, and her curvy arse is soon bouncing up and down gamely, Ryan's cock securely wedged in her juicy pussy. Oh, and did I mention that on the other side of the room Clark Kent (footman Master Bates), is attending to the postprandial needs of Jess West (Abby's sister Fanny) and Lady Stiffie herself (Jasmine James)? Talk about being spoilt for choice. Thankfully the constrictions of filming technicalities meant that one group was usually having a breather while the other got down to business, but the sight of Jess and Lexi both impaled on stiff cocks at the same time is the sort of thing you carry around with you till your dying day.

Once Lexi's spreadeagled on the dining table with Ryan slamming into her, I figured we must be more or less done (I know I was), but in another testament to the thorough professionalism of all involved, they keep at it for ages, even as Jasmine bounces up and down on Clark's cock and jiggled her whopping boobs in his face. Jess, meanwhile, keeps a hand in by yanking the cock free from her co-star's snatch and slurping on it whenever she gets the chance.

Given that he's got two eager flampers attending to him, it's no surprise that Clark is the first to throw in the towel, spraying his load all over Jess's bum (with a hand from Jasmine), before Ryan follows suite, liberally basting Lexi's rear with his own spuff.

Talk about a hard day at work – I'd been sporting a lob on more or less constantly for 6 hours, and that was before a drive back to London! It's probably just as well I didn't hang around for the next day's shooting as well, or I'd probably have suffered some sort of hideous injury!

If you want to check the film out – with these scenes a couple more they shot the next day, then you're in luck because the film's out now! It might not do as much business worldwide as the TV series that inspired it, but I certainly know which one I'd prefer to watch!

GEORGIE

Photos: Twistys

Proving that he's good for more than his monthly email full of sweaty-palmed copy, our scruff reviewer put us on to Scottish sex-bomb Georgie Lyall here. He'd seen her in a movie, and just for once he must have been watching it with the volume turned up, because he clocked that she was a Brit and started to wonder why she'd never appeared in the magazine before. Well, we're not the sorts to look a gift horse as horny as this in the mouth, so we were quickly on the blower and Georgie was all booked in for a shoot. So what do you think? Quite! We'll be hoping to get her back again before too many moons have passed!

SHAY

Photos: Twistys

With her elegant looks, slender bod, curvy boobs and (lo!) pubic thatch, Shay Laren sure ticks a lot of boxes as far as we're concerned, so it's always a bit of a red letter day every time we manage to get her back in the magazine. She seems to have grown up a bit since we first featured her in *Men Only* a few years back, and without wanting to sound too pervy about it, it's one of the nice things about the job – meeting up with the girls once or twice a year and seeing how they've developed and changed as individuals. And then watching as they take their clothes off, of course…

"Well do you know what – you do sound a little pervy about it!" she laughs, "but then if guys weren't a little bit pervy, where would models like me be, I wonder…"

Maybe doing some sort of boring normal job, which really would be a crying shame, so thank God for us pervy blokes, eh?!

"Thank God indeed!" Shay chimes in. "And don't forget us pervy girls as well!"

Amen to that!

Last month *American Hustle* took a free-wheeling and niftily retro look back at the 70s, but this time round we've got another award-winning flick that casts an eye back, but this time to the altogether grimmer 80s. Based on a true story (again), Matthew McConaughey stars as Ron Woodroof, a Texan rodeo rider who's horrified to find himself being diagnosed with AIDS after an ill-advised assignation with a drug-using prostitute. Back in 1985 an AIDS diagnosis was pretty much a death sentence, although some drugs were being investigated that would ultimately help to lead to its treatment. Having reacted badly to AZT and unwilling to be used as a guinea pig in a drug trial, Woodroof sources his own supply of drugs, which he finds hugely beneficial, and soon finds himself in league with a section of society (most notably Jared Leto's trangender junkie Reyon) as he sets about supplying the drugs to those who so desperately need it. Both actors bagged an Oscar for their fine performances and the film has a real heart that'll keep you hooked from start to finish. Genuinely affecting stuff.

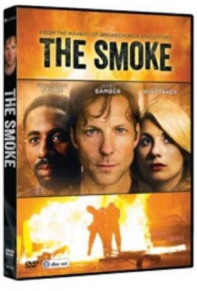
The Smoke

Arrow Films



Remember *London's Burning*, the TV show about Blue Watch and their battle to keep the capital from vanishing in a fireball? Well this drama, which recently aired on Sky, is a bit like that, only it's about White Watch instead. Jamie Bamber stars as the head of White Watch, who returns to work after an injury and struggles to come to terms with the shifting dynamic within the shift. There's some cracking firefighting stuff (looks like it had a bit of a budget!), and the drama's well written, acted and, well, pretty damned dramatic as well. Not too shabby at all, frankly.

Hustlers

Lionsgate

It was way back in 1975 that Van McCoy advised us to Do The Hustle, and it seems that at long last we're catching on! *American Hustle* (reviewed here last issue) bagged itself some silverware, and here's another Hustle-themed flick hot on its tail! This one stars Elijah Wood, Brendan Fraser and Matt Dillon – and the late Paul Walker in one of his last roles – and entwines three separate plotlines, Quentin Tarantino-stylee, linked together by a pawn shop. It's a nice contrivance, and the film doesn't really deserve to have been quite so fully eclipsed by its near namesake.

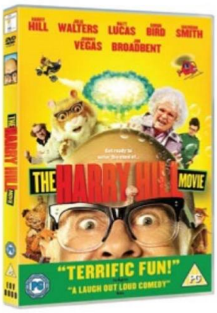
The Harry Hill Movie

Entertainment In Video



Everyone's got a bit of a soft spot for Harry Hill, haven't they? His brand of inoffensive and surreal slapstick has been tickling old and young for years now, and so, given that digital technology has made making movies a lot cheaper than it once was, it's possibly no surprise he's been given the big screen treatment. With a daft plot that involves an evil brother (Matt Lucas) and a scatty gran (Julie Walters) you kind of know what to expect, but a lot of the gags seem to go off a bit half cocked. Not as bad as Keith Lemon though, which is something!

Sisters

Arrow Films

Brian De Palma found his feet in the 70s making schlocky but classy thrillers, and this was the film that got the ball rolling. Also known as *Blood Sisters*, it stars *Superman*'s Margot Kidder as a pair of identical twins who, erm, have issues. At least one of the sisters is a psycho, and by splicing the more graphic elements together with a *Rear Window*-esque plot involving a reporter (Jennifer Salt) espying one of the sisters committing a murder De Palma created a memorable flick. There's even a score by Bernard Herman, and this release has loads of extras as well!

The last thing big business (or just about anyone else, for that matter) wants is to breed a generation of superhackers who can get into just about any computer system they want. So perhaps this game's been designed to steer techies away from real-world hacking and concentrate their efforts on virtual targets…

You play a character called Aiden Pierce, a hacker who's got a whopping (micro-) chip on his shoulder following a violent family tragedy that has left him bent on revenge. Now he could do this by just hacking people's emails and getting them to order all the cock-enlarging devices they get spammed about, but instead he's got grander plans, ferreting out corrupt bigwigs and master criminals in (a rather nicely realized) Chicago. Thanks to his snazzy smartphone, Aiden can tinker with just about everything in the city, from traffic lights to fuse boxes and bridges, which means he can wreak all sorts of havoc as he sets about nailing the baddies. There's a crafty multiplayer option as well, making this on an intriguing game that will offer plenty of thrills.

PRETTY POLLY

On our 8th wedding anniversary, which fell earlier this year, my wife Polly and I decided to go away for a romantic break, just the two of us. It didn't really matter where it was; it was just to spend a bit of quality time together away from the kids! We chose a posh hotel in the middle of nowhere – so much so that it took us ages to find and by the time we arrived, we were exhausted! We decided to chill out for the night, order some room service and relax.

After we'd checked out the rest of the hotel, settled in and eaten, Polly said she wanted to get a shower and head for bed. I naturally thought that this sounded like a great idea so I jumped up and followed her into the bathroom. We both started to undress; I intentionally went a little slower so I could watch Polly getting naked. I watched as she, noticing my rapt attention, slowly raised her blouse over her shoulder length strawberry red hair; exposing her perfect 32C black lace-covered breast. She then removed her bra bringing her hard pink nipples into view. Bending her well-toned 5'4 frame over, she slid her fingers under the waistband of her shorts and in one sensual motion; she pulled both them and her knickers down to her ankles. She then turned around to show me her nearly bald pussy, only a small red triangle of hair remaining, springing my member to attention immediately.

Forgetting the shower, I took Polly in my arms and kissed her tenderly. Our kisses soon turned more passionate and when we could take it no more we moved over to the bed. I laid Polly down on her back and spread her beautiful thighs and began to slowly, rhythmically thrust into her slick pussy. We made love until we both tired and fell asleep in each other's arms.

> "I tucked in, working my tongue down the crack of her arse."

The next morning I awoke to a warm feeling on my very rigid cock. As my eyes opened Polly's face came into focus, grinning as she licked and sucked the length of my shaft, while stroking me with her hands. I closed my eyes and wondered what I'd done to deserve such a treat.

As she gobbled my prick down, I ran my hand down to Polly's damp pussy lips and began to work her clit with my fingers, slowly circling it with my thumb and as it began to swell in response I pushed two fingers inside her damp fanny. Although Polly's body writhed against my hand, she continued working my dick until my probing fingers brought her to a first small orgasm. My cock being shoved in her mouth muffled her moans, but her obvious pleasure nearly made me lose my load. I didn't want to come just yet, though, so I pulled away; I wanted to do something a bit different.

I shifted Polly to the edge of the bed so that her head was hanging over, then stood in front of her, lowering my balls to her waiting tongue. She greedily began to lick and suck my balls, lapping my entire underside from the edge of my anus to the tip of the prick. Sliding my member between her lips, I slowly thrust in and out as she sucked the length of my shaft. Meanwhile, my fingers found her button again. I worked her clit until she was close to the brink of a second orgasm. As her orgasm grew it was apparent that this one was going to be bigger than the last. Her body shuttered and squirmed as she sucked harder

and harder on my cock. Suddenly, as her climax peaked, she grabbed my arse and pulled me deep into her throat, managing to take my entire length to the back of her throat. I erupted string after string of hot jizz into her wanton larynx.

After we'd caught our breath, Polly announced she wanted me to do her "in the bottom", as she got on all fours, wiggling her bum at me, cheekily.

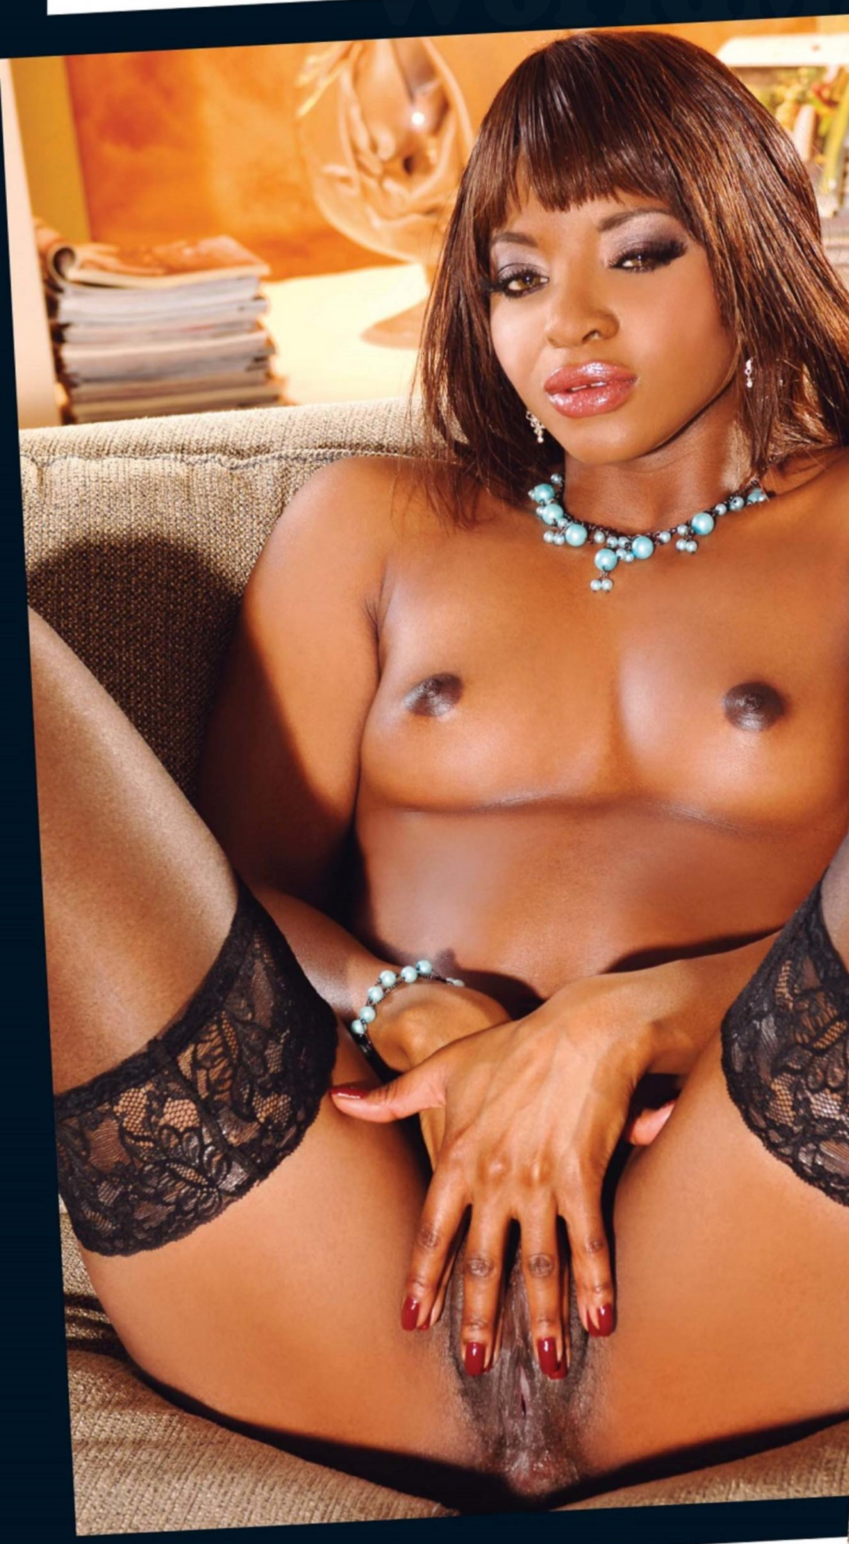
I wasted no time and tucked in, working my tongue down the crack of her arse slowly coating the area with wetness. After a few trips up and down I gently parted her cheeks and ran my tongue around the rim of her tight rosebud. Polly's responded with a low moan of approval. I began to probe her sphincter with my tongue and every insertion was met with a moan and a push back toward me. Taking that as a hint, I placed the head of my cock against her backdoor and gently pushed until the initial resistance had subsided. This drew another deep moan from Polly. We'd had anal sex in the past but not often so even though my head slipped in relatively easily I still knew I had to take in slow. I began my movement slowly inward allowing her to expand to meet me as I drove deeper into her. Gradually my pace quickened and Polly became increasingly aroused as the thrusts sank deeper into her and I reached around and fondled her swollen clit. By now I was pounding my wife's arse faster and harder then ever before and she seemed to be enjoying every second. Then just as she could hardly take it anymore, I pulled out completely and paused, enjoying her pleas for me to fuck her again. I obliged, plunging my rod back into her pink puckered hole and banging away.

Unsurprisingly, it didn't take long before I was coming for the second time that day, but this time in my wife's beautiful arse. Synchronized perfectly, Polly chose that moment to climax, too, the sweat running down her brow as her back arched and she howled along with the waves of pure pleasure that washed over her.

We spent pretty much the rest of the day in bed, making the most of our peaceful time together – before having to go back home and deal with the kids!

I can't wait for next year, though…

Greg, Hounslow.



SISTER ACT

It began, as many nights do, with a few glasses of wine. Getting a little frisky on the sofa, my girlfriend Gina started asking me questions.

"Do you have any fantasies? Like would you like me to dress up as something? How about a nurse?"

I grinned at that, "You could dress anyway you liked and I'd fucking love it! But yeah, I could see you in a nurse outfit."

At that she gave me a big kiss, told me to put out the lights and light some candles and pour another couple of glasses of wine and wait. I did as she said, settled back on the couch and waited for her footsteps.

"Close your eyes, honey," she ordered.

I heard her moving around the room, then as I heard the distinctive sounds of fucking from the television I sneaked a peek. She had put on a hardcore porn film – a threesome, two girls and a guy, were just getting started. I couldn't see Gina though.

"Naughty – now you're going to have to just watch for a bit. I thought this video would turn you on."

Hearing her voice from my left, I turned to see my girlfriend dressed up as a nurse, suspenders and all. She looked amazing!

She strolled over to me, and standing in front of me began to gyrate to the cheesy music on the DVD. Her lovely tits were barely contained within her tight top, and as she stroked herself, her nipples pressed visibly against the thin fabric. She turned around to watch the action on the television – the guy on screen had one girl on his cock and the other sat on his face.

"You'd like that, honey, wouldn't you?"

I couldn't answer, for at that moment she bent forward until she could hold her ankles, her short dress riding up over her arse, showing me she had no knickers on, a little dribble of lubrication already coming from between her lips.

I reached forwards, but she noticed, "Uh uh – you peeked. No hands!"

So I dropped my hands, and as she turned round to me I leant back and unzipped my jeans. Gina reached into my boxer shorts and pulled out my throbbing cock. She dipped her head to suck on the head of my member, and then gripped it in one tight fist and looked up at me.

"Now, this time you get to taste me, but no hands, OK?"

She turned around once more and bent right over again, so I leant forwards until my face was buried between her cheeks, my stubble tickling her clit, my tongue between her lips and my nose pressed against her crinkled little ring.

I couldn't see the telly but I could hear the action – and it was having a wonderful effect on her. She was wetter than ever, and we had barely started. I kept licking deep into her, tasting her, and as she got more excited, she pressed her arse back against my nose, relaxing her ring so I could almost fuck her arse with my nose while my tongue fucked her cunt.

"Mmmmmm. That's good. But I want more. Get your clothes off."

She walked away, pulling her cheeks apart so I could see her swollen lips glistening with her juices, and her sphincter clenching. But she didn't go far – just got onto her hands and knees in front of the porno, which now had the guy fucking the redhead, and the dark haired girl was fucking her up the arse with a long strap on.

"You could do that, you know. I could really go for that," as I got undressed I could hear her repeating the same phrase over and over, "You could definitely do that to me."

Once I had my clothes off I noticed she had brought a vibrator as well – a big purple one. I grabbed it and plunged it deep into her.

"Ohhhhhh. Fuck me!"

I exchanged it for my cock, pistoning in and out of her hot twat, and then, following the example of the film in front of us, thought I should fit both in. With some difficulty, I slipped the vibrator alongside my cock in her cunt. God, it felt good – her muscles kept clenching, being stretched so much.

"She dipped her head to suck on the head of my throbbing member..."

She kept banging her arse back at me harder and harder, one hand creeping across her buttock to dip a fingertip into her arsehole. I couldn't resist the temptation of that tight little hole and pulled out of her. There was a slight noise of disappointment, until I moved my cunt-slick cock up to meet her fingers. She slipped her finger out of her arse and used both hands to pull her cheeks apart for me. I could see her relaxing, making herself ready for my cock.

She pressed back on me – I kept still and let her go at her own speed. Then with an almost audible pop my cock head was past her sphincter, and she froze with a groan.

"Did I hurt you?" I asked.

"Noooo... just stay still. I'm nearly coming!"

She slowly slid backward and forward, taking more of me in each time. I slipped my fingers into her cunt again and rubbed her lovely juices around my cock as she pulled away, and with that lubrication she slid back easily until I was balls deep within her.

With the toy in her cunt and me up her arse I thought she was full, but she was so hot she wanted more, grabbing an empty bottle.

"Fuck me with this too!" she said, and as I eased it into her cunt, she started to move the vibrator alongside it. This felt amazing, and by the way her groans and screams were getting louder, she thought the same, and when I also started pumping my cock in and out of her arse with the same rhythm, she started screaming my name. We had both forgotten the video, concentrated on our own little world of pleasure.

She came, clenching and bucking on my cock, but I managed to hold off until she was almost wrung out, then as she pulled the vibrator out of her, the feeling of it stroking past my cock just set me off.

I banged hard into her – uncontrollably fast, rough and hard. I even forgot about the wine bottle until it was gone – all I felt was her heat, until I came, flooding her arse with my spunk, shaking and collapsing on her back.

The next thing we noticed, there was just static on the television, and a very inviting bed waiting for us upstairs!

Graham, Norwich.

XXX

Anyone think they're churning out too many bongo flicks these days? We suspect our reviewer might agree – he's hardly recovered from last month and we're off again!

Anal Debutantes

4/5

Adult Channel

Cast: Mira, Lyen, Madlin, Kerry, Chantelle Fox.

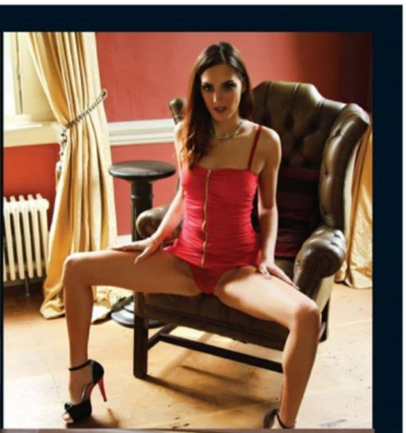
ADULT CHANNEL
Anal debutantes

Casting my mind back to the days when I lived in the very heart of high society, I can well remember the buzz of excitement that went around when the debutantes made their first appearance on the scene – all those delightful young things all dolled up and ready to unleash themselves on the big wide world. But of course the real thrill was to be had a month or so later, when last year's debs rather jaded debs launched themselves onto the anal debutante scene! If you ever got an invite to one of those coming out balls you made sure you kept the date free! Well, the goodly folk at Adult Channel are clearly keen to harp back to that bygone era of innocence with this release, which charts the exploits of 5 fresh-faced fillies as they dip their toes into the back-door-banging *belle monde*.

Auburn Mira's first to take the plunge, and her cracking bod, pre-Raphaelite looks and enthusiasm for cock make it a good opener. After the standard blowie and vaginal poking her stud gets her in the mood with a thorough rimming before slipping is old chap into her (allegedly) virgin jacksie – and who are we to doubt her word? She certainly seems pretty new to it all, and we'd like to think she's now a full convert!

Lyen's another cutie, who really wails when cocksman Dean pokes his prick up her pooper, while fellow flampers Madlin, Kerry (my fave, possibly) and Chantelle all gamely give it a go as well. Not the filthiest anal flick you'll ever see, but it's actually none the worse for that. – **Available from your local sex shop.**

Editor's CHOICE



2-on-1 Anal Whores 3

3/5

Pumpkin Media

Cast: Cherry Jul, Miki, Krystal, Lis, Eve Mendes, Cindy, Dona, Yasmine Gold.

PUMPKIN MEDIA
2on1 Anal Whores Vol 3

Exceedingly comely Cherry Jul and her chum Miki are being shown around an apartment by a rather smug looking estate agent, and the reason for his smugness soon becomes apparent when he says that he'll take the rent in 'pussy' and the girls agree! Not that it's their pussies he concentrates on for long – the film's title gives the game away a bit – but with all the backdoor action he gets over the next 25 minutes or so, I'd say that unless the apartment happens to be in Kensington, he's more than getting his money's worth. Cracking bummery is always on the cards when Cherry's around, and she doesn't disappoint.

Scene two dispenses with any kind of narrative at all – Krystal and Lis are lezzing up, and in strolls a chap who gets his knob out and takes it from there. He repeatedly pokes his plonker up each pooper in turn before splashing off over their chops, which to be fair to the guy is exactly what he's been employed to do. Eve and Cindy are treated to a similar scenario, as are Dona and Yasmine, except they're in a sauna. If it's one cock/two bum fun you fancy, this should do the trick!

To Live and Fuck In L.A.

Brazzers

4/5

Cast: Kristen Price, Jessica Jaymes, Kristina Rose.

BRAZZERS
THE WORLD'S BEST IN BIG TITS!
R18

We've all seen plenty of films set in L.A. and as a result we know that you're unlikely to walk down the street without getting involved in some sort of shoot-out. Still, it's only the very lucky few who find themselves in the middle of a shoot-out that involves a busty knob-jockey like Kristen Price. Thankfully, it's the crim who gets plugged (well, falls over and suffers a slight nosebleed) and our heroine lives to shoot another day. First, though, she's got a bit of bonding to do with her partner, who, clearly tense after having peered down the barrel of a gun, relaxes by getting Kristen to peer down the barrel of his knob… before slurping it into her mouth. After that they go through the whole gamut of positions, quite often with Kristen wedging a couple of fingers up her arse before we finish off (by we I mean both me and her stud) with a nice POV and a creamy facial (for her).

Back at the cop shop, and suspect Jessica's being given a grilling, which fairly quickly transforms into a drilling courtesy of the 'bad cop' in the routine. Well, even given that the suspect's a notorious porno flamper, I can't help thinking this kind of interrogation technique isn't strictly legal, and if things ever went to court Miss James would almost certainly get off (again).

Then we're back with Kristen and partner Lee, who just can't keep their hands off each other now, starting off shagging in a toilet cubicle and ending up with a really eye-pleasing boning in the shower that results in a creampie. I tell you what, I'm really starting to warm to this girl…

It's Lee who gets the honours again in the final scene, teaming up with Kristen and Jessica (erm, did I miss Kristina Rose?) for a final blow-out. The girls slobber on and ride his cock with near equal aplomb, and once Lee's shot his load he get's the added thrill of shooting a couple more hoods for good measure. Well, that's L.A. for you! **Available from your local sex shop.**

Brit School Brats 2

Filly Films XXX

3/5

Cast: Tanya Tate, Lexi Lowe, Roxy Mendez, Frankie Rider, Sam Bentley, Delilah Dash, Angel Long, Lucia Love.

Auntie Tanya's trying to get hold of her niece Samantha Bentley at her posh private school, but Sam's out, so our Tanya's left with the (admittedly rather well-spoken) Lucia Love to while away a bit of time. Well, Lucia's just been looking up what an orgasm is in her dictionary, and suddenly Tanya's on hand to show her properly. There's plenty of finger work, and Lucia's clearly no shrinking violet!

Scene two kicks off with a discussion about 'Bloody Harry Potter!' before a pony-tailed Sam Bentley and her teacher Frankie get down to even less literary pursuits. If only I'd been there to throw my own magic wand into the mix…

Angel Long's doing some stretching in the gym, but soon switches to stretching Delilah's pussy with her fingers, and then it's time for the grand finale, in which nurse Lexi joins Tanya and model pupil Roxy for a cracking threeway lesbathon. No cocks (or toys) but solid sapphic fare nonetheless. **Available from your local sex shop.**

Our Legacy

Viv Thomas

4/5

Cast: Cindy Hope, Dorothy Black, Cindy Love, Sylvia Lauren, Madison Parker, Regina Ice, Cassye, Roxanne, Jazmin.

Word has reached us on the porno grapevine (which is pretty much the same as a normal grapevine except it's been slathered in lube and therefore a lot harder to get hold of), that Viv Thomas has hung up his lens and headed off into retirement, in which case it's not unnatural for him to have given some thought to his legacy. Well, about a thousand hours of strokeworthy scruff is a pretty good legacy as far as we're concerned, and here's another 2 hours or so of the stuff! It's out-and-out lesbo (Viv's been leaning that way of late) and kicks off with Dorothy (aka Dora when she's appeared in *Men Only*) getting especially chummy with Cindy Love. It's another Cindy though (Hope, this time) who really raises the bar in her scene with Sylvia – there's some top notch camerawork as the girls poke away at each other's holes with fingers and a big jelly dong. None of the other pairings are remotely shabby either, to be honest. Thanks for the mammaries, Viv! **Available from your local sex shop.**

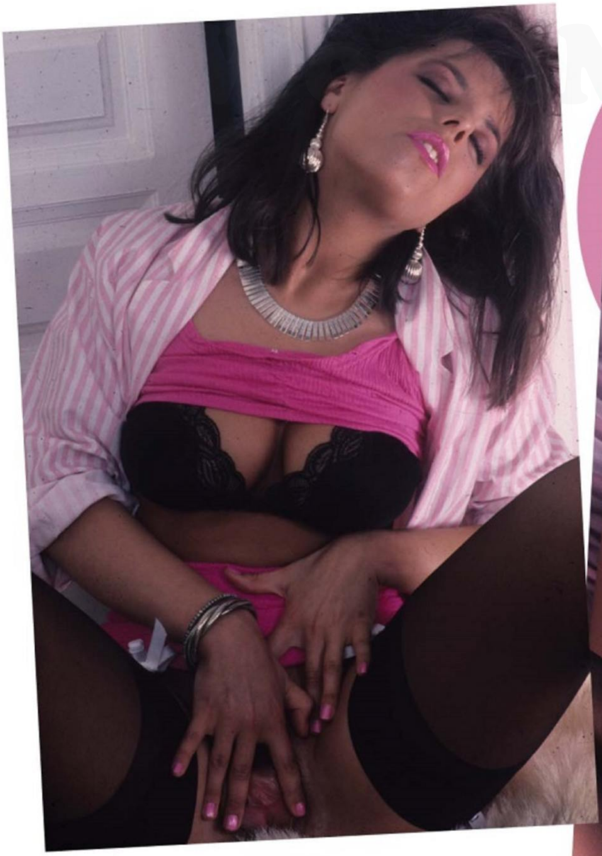
JOANNE ARTHUR

VINTAGE Men Only



A full quarter of a century ago, Joanne Arthur was setting *Men Only* readers' pulses racing with her cute smile and her furry snizz - especially when shot by ace lenswoman Joanie Allum! To win a copy of the set, tell us the name of the model who's listed before Joanne on Joanie Allum's website www.joanieallum.co.uk and email your answers to Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey, KT12 3PU, or email menonly@paulraymond.com by June 27th 2014!

COREY & STACEY

See our video
www.paulraymond.com

Hmm, watching couple of busty, stocking-clad lovelies going at each other's bits and bobs for all they're worth. There have definitely got to be worse days at the office than this! Mind you, if we thought we were having a pretty sweet day at work, Corey (that's the brunette, in case you were wondering) genuinely seems to be having the time of her life!

"You can say that again!" She grins. "I've been a massive fan of Stacey for ages, but this is the first time we've ever managed to get it together, and I'm going to make the most of it!"

Now sometimes glamour models can be a bit flaky, but we're very pleased to report that Corey was as good as her word, and Stacey seemed to be pretty happy about it all as well!

BETH

Photos: **Photorama**

Mmm, Beth, aka Zafira – if we had to pick a list of the ten horniest girls we've featured in Men Only over the last couple of years, she'd have to be make the cut. Quite aside from her stunning face and body, she's got one of the most inviting pussies we've ever spent hours gazing at – as the photo to the right of this blurb proves only too clearly!

"So, you like the look of my pussy, do you?" husks the girl herself. "I've been told that it actually tastes better than it looks!"

Hmm, we don't doubt it, although the chance to prove it would be nice…
